

## Case Study – How Small IBDs Can Leverage Compliance To Accelerate Growth Turnaround Strategies

Third Week of January 2022, *Wealth Solutions Report*

*Small and mid-sized independent broker-dealer / RIA firms that have recently recovered from regulatory-related challenges can mobilize compliance to support new growth.*

When large independent broker-dealer / RIA firms encounter a multi-year period of regulatory and legal difficulties, they will likely need to make some hard strategic decisions ...
