

## Crypto Enters Crypt Of Horrors – How Can Firms and FAs Protect Themselves?

Fourth Week of May 2022, *Wealth Solutions Report*

*Last Year, I Sounded the Alarm: And All I Got Was ‘Crypto Bro’ Hate Mail*

Crypto assets were very high on my list of assets apt to do just that, as noted in my not very subtly headlined column from November 2021, [“The Crypto Craze Could Murder Financial Advisors Careers.”](#)

At the time, I received more hate mail from the ‘crypto bro’ crowd than I could shake the proverbial stick at, as noted in my December 2021 column, [“Every Financial Advisor’s Worst Crypto Nightmare.”](#)

Where are we now?
